

JAMES RANDALL

Address: 264 West Cardinal Lane, Beaufort, South Carolina 29906

Mobile: 803-467-3486

Email: randalljames94@gmail.com

Qualifications Profile

Analytical, success-driven individual who is self-motivated. Able to demonstrate competency in using SolidWorks, AutoCAD; drawing and design techniques. Exhibit solid critical thinking aptitude in solving complex problems. Possess articulate communication and interpersonal skills to establish and build relationships with various individuals.

Core Competencies

- Knowledgeable in computer-aided design and drafting techniques in creating engineering drawings
- Capable of utilizing AutoCAD design software to develop 3-D engineering graphics and drafts
- Familiar with the fundamental concepts of design and construction techniques
- Equipped with hands-on background in designing
- Skilled at performing mechanical design and drafting tasks, which include analyze parametric parts and moveable assemblies through a variety of complex SolidWorks features
- Adept at using basic engineering design and techniques to develop parametric modeling and detailed drawings in adherence to industry standards
- Technically proficient in additive and subtractive 3-D modeling concepts through solid modeling software for rapid prototyping techniques and product development applications

Work History

Parkers (Store #61) | Okatie, SC

CUSTOMER SERVICE REPRESENTATIVE

July 2017 – Present

GNC Retail Store | Beaufort, SC

SALESPERSON/MANAGER IN TRAINING (PART-TIME)

February 2016 – March 2017

The Greenery LLC | Hilton Head Island, SC

CREW LEADER

July 2015 – February 2016

Travinas Bar and Grill | Lexington, SC

PORCELAIN IMMACULATION SPECIALIST

September 2014 – April 2015

Education and Credentials

Bachelor's Degree in Computational Science

August 2017-May 2019

Relevant coursework: Intro to Computer Security | General Application HTML & JavaScript

Associate's Degree in General Technology

August 2015 -July 2017

Relevant coursework: Basic Design Technician | Architectural Design Technician I | Mechanical Design Technician | Introduction to Engineering Design

SolidWorks Certified: CSWA

AutoCAD Certified:

ACU and ACP

Extracurricular Activity

City Walk, Member |
*P*articipant

Technical Skills

Java scripting | SolidWorks | AutoCAD | Macintosh Pages | iOS | Windows Operating System
(XP, 8, and 10) Microsoft Office Applications (Word, Excel, PowerPoint, and Access)
